

# Sinozoc

Sinozoc Explosion Proof LED Lights was designed specifically to replace conventional lighting in a wide variety of Hazardous Area applications, outdoor Under water conditions. Its high luminous Flux, instant illumination, light weight design and versatile mounting. ATEX certification.

## BAT95-T

### Explosion proof flood light

Power:50W  
Atex certificate  
Chip: Cree  
Input voltage:85-265V  
Frequency:50/60HZ  
Power factor:>0.95  
Ex-mark: Ex demb IIC T6 Gb  
IP Rating: IP66

## ZCHB792

### Tri-proof Explosion proof flood light

Power:80W  
Atex certificate  
Chip: Philips  
Input voltage:85-265V  
Frequency:50/60HZ  
Power factor:>0.95  
Ex-mark: Ex demb IIC T6 Gb  
IP Rating: IP66  
Warranty:3years  
Protection grade:WF1  
Light efficiency:>130lm/W

#### Standard:

EN 60079-0:2012/A11:2013, EN 60079-7:2015,  
EN 60079-11:2012, EN 60079-31:2014

### 2014/34/EU (Equipment for Explosive Atmospheres)

**II M2 G Ex demb IIC T6**

**II M2 D Ex tD A21 T80°C IP66**
